

webCemeteries™

**Over 20 Diocese
trust us with their
software needs.**

Extending Your Service in a Digital World.

Still working like this?

webCemeteries

Family. Service. Simple.

Need a partner to launch your software?

With over 30 years of experience managing cemeteries, our team can help yours:

- Full implementation, from on-site scanning to data entry, mapping and data conversions.
- Tailored training plans, both on-site and virtual.
- Ongoing strategy sessions and training.

We build – and implement – award winning software for cemeteries.

Engage your customers online with webCemeteries

Our award winning websites and tools include:

- Locate a loved one
- Online memorials
- Virtual tours
- Mobile apps
- eCommerce store
